REPLY TO OFFICE ACTION

Commissioner for Patents
Washington, D.C. 20231

Sir:

This is in response to the Office Action mailed March 26, 2003 in the above-captioned application.

Responsive to the requirement for restriction, applicants hereby elect the claims of Group II, namely claims 3-5, as well as claim 1, which is a linking claim linking all of the claims of the application.

Applicants note with appreciation the indication that if a linking claim is allowable, the requirement for restriction will be withdrawn and all claims re-joined.

Responsive to the first and second requirements for election of species, applicants hereby elect the species of Figure 2 in response to the first requirement, and the species of Figure 4 in response to the second requirement.

Claims 1-4, 6-9 and 11-13 are deemed to read on the elected species, with claim 1 being generic.

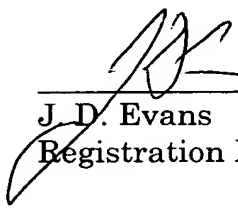

Favorable action on the application is earnestly solicited.

If there are any questions regarding this reply or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket #3007/50290).

Respectfully submitted,

April 25, 2003
